Herpes Zoster: Help from Chinese Medicine

An introductory and illustrated book, part of the Patient Education series, on how Chinese Medicine can help sufferers of Herpes Zoster (also known as Shingles) through acupuncture, herbs, exercise, and diet.

The Patient Education series brings valuable instructions on having the most appropriate lifestyle, diet, exercise, and home therapies when diagnosed with an ailment. It clearly explains the basics of Chinese medical theory and gives a step by step guide to Chinese medicine treatment. It also introduces the various therapies used in Chinese medicine such as acupuncture, herbal medicine, tui na (massage) as well as others forms of practical therapies.
