Complete MRCPsych Part II, The: A Comprehensive Guide to the Examination

The perfect companion for any psychiatrist preparing for the MRCPsych Part II exam

MRCPsych is a postnomial qualification awarded to physicians who have completed the prescribed training requirements and membership examinations mandated by the UK’s Royal College of Psychiatrists.

Studying for the MRCPsych exams can seem a daunting prospect, especially when faced with the vast amounts of literature available to help, but this book offers a complete solution in the form of a thoroughly comprehensive guide to the Part II Exam.

Written by an experienced examiner with contributions from trainees, this prep guide is completely up to date and takes in the recent changes to the exam.
