OvidMD Infectious Diseases Book Collection

A cost-effective, convenient online package of 7 clinically-focused books available via OvidMD - designed to answer physicians’ clinical questions quickly and accurately.

Available via OvidMD, offers physicians and clinicians fast, one-click access to 7 books published by Lippincott Williams & Wilkins, one of the leading medical publishers in the world.

What is OvidMD?
OvidMD is the first clinical tool from Ovid and provides quick answers to a physician’s questions based on relevant, current full-text content from Ovid. OvidMD was designed from a clinical, evidence-based perspective to ensure results are meaningful to a practicing physician.

As part of OvidMD, you automatically get access to patient handouts, evidence-based guidelines, the A-Z Drug Facts drug compendium, and Ovid MEDLINE, Ovid’s industry-leading implementation of one of the most highly regarded bibliographic sources of biomedical information.

In order to purchase this collection you must have an active subscription to OvidMD.

Be sure to look for other discipline-specific OvidMD book collections.
