Convenient, cost-effective, and exclusive access to 30 peer-reviewed titles from Lippincott Williams & Wilkins, a leading authority in medical and nursing research.

This unique package features highly-cited journals covering a range of Neurology topics and sub-disciplines, including neuropharmacology, pain management, and neurosurgery. You’ll find both research and clinical application titles, and many are affiliated with today’s world-leading medical societies, including the official journals and publications of the American Academy of Neurology.
