Instant access to selected backfiles - spanning from Volume 1, Issue 1 to issues published in 2008 - of the 42 nursing journals from Lippincott Williams & Wilkins that make up the full-text portion of Ovid Nursing Full Text Plus.

This collection consists of key historical issues of journals that are part of the Ovid Nursing Full Text Plus, Ovid's unique full text/bibliographic product. It delivers a set of historical issues for the 42 LWW journals that cover critical care nursing, administration, theory and other important nursing specialties. Institutions can own historical issues of world-renowned journals, saving shelf space and providing researchers and practitioners with deep backfile access to valuable content.

Please note that the Extended Archives (Volume 1, Issue 1 through 2008) of all journals in the collection are also available a la carte (individually). Also note that the backfile of AACN: Advanced Critical Care, Journal of Addictions Nursing, and LPN are not available individually.
