Lippincott Williams & Wilkins Cardiology Book Collection

Exclusive access to a cost-effective, convenient package of over 100 core titles from the world’s leading medical and healthcare publishers.

Need help building your institution’s ebooks portfolio? Book collections are a quick and easy way to expand your offerings. You can take advantage of cost-effective collection pricing, too.

Key titles cover major sub-specialties and include such classics as Feigenbaum’s Echocardiography; Grossman & Baim’s Cardiac Catheterization, Angiography, and Intervention; and Moss & Adams’ Heart Disease in Infants, Children, and Adolescents, Including the Fetus and Young Adult.

Publisher
Lippincott Williams & Wilkins (LWW)

What’s Included
