Cost-effective access to 15 premium, clinically focused ebooks in pediatrics from Lippincott Williams & Wilkins.

Choosing the right set of ebooks for your institution can be difficult. Selecting one title over another takes time—and you always have budget concerns. That’s why collections are a quick and cost-effective method for expanding your book offerings.

Please note that the Cleveland Clinic Intensive Review of Pediatrics is not available individually; it is only available as part of a collection.

Each of Ovid’s 9 Consult Collections offers a manageable and focused set of premium ebooks from Lippincott Williams & Wilkins (LWW). The LWW Pediatrics Consult Collection consists of 15 titles spanning a range of topics in the field.
