Over 20 top-tier titles with clinically relevant material from Lippincott Williams & Wilkins.

We’ve doubled the number of journals for 2019! This unique cost-effective package offers exclusive content only available through Ovid. These journals represent top-tier titles that consistently appear in literature searches, providing you with access to premium-quality, clinically-relevant articles that combine adult and pediatric coverage of critical care medicine.

Please note that Anesthesia & Analgesia is only available as part of a collection; it is not available separately.
