OvidMD Advantage Extended

Combines the OvidMD Advantage general medicine content collection with over 35 additional LWW reference books for an expansive packages of over 100 titles; available for institutional OvidMD subscribers.

Extend your OvidMD content selection even further with this comprehensive package of authoritative reference texts spanning disciplines beyond General Medicine, including: Allergy, Asthma, and Immunology, Hematology and Oncology, Cardiology, Infectious Disease, and more. Titles include those in the Washington Manual Subspecialty Consult series.

Key titles in the collection include:
- Manual of Allergy and Immunology
  Designed to serve health care professionals in the diagnosis and management of allergic and other immunological disorders.
- Manual of Dermatologic Therapeutics
  A practical, accessible guide with concise, thorough outlines of the pathophysiology, symptoms, clinical findings, assessment, and therapy of skin disease plus detailed guidelines for choosing among therapeutic options.
- Manual of Nutritional Therapeutics
  Coauthored by three physicians and a dietitian offering practical, evidence-based recommendations for nutrition of healthy individuals, hospitalized patients, and patients with diabetes, renal disease, hyperlipidemia, obesity, and wasting diseases such as cancer and AIDS.

In addition to core textbooks, the collection includes access to 2-year segments (the most recent two years) of articles from 11 Current Opinion journals, which present reviews of the latest research in Cardiology, Endocrinology, Gastroenterology, Pediatrics, and other therapeutic areas.

Why OvidMD?
- Extensively tested by physicians, designed for practicing physicians, residents, interns and APNs
- Instant answers to critical clinical questions
- Designed as both a point-of-care tool and a research platform
- Generates precise search results with every query
- Optimized for use on widely used mobile devices, for easy, wherever/whenever access

Please note that Clineguide Evidence-Based Guidelines, McKesson’s Patient Handouts, National Guidelines, and UpToDate Articles are only available as part of a collection; they are not available separately.
