Exclusive, cost-effective access to 12 peer-reviewed titles from one of the world’s leading medical and healthcare publishers.

This collection offers you a comprehensive suite of anesthesiology and pain medicine topics from Lippincott Williams & Wilkins, your trusted provider of the most current and premier content in the field.

Titles such as the Clinical Journal of Pain, Anesthesia & Analgesia, and Anesthesiology offer clinical content and case studies that can be immediately applied in the clinician’s practice.

Please note that both Anesthesia and Analgesia and the backfile of ASA Refresher Courses in Anesthesiology are only available as part of a collection; they are not available separately.
