Expand your coverage of highly rated journals with this exclusive collection of more than 60 titles!

This collection is a single source for the top journal titles covering major specialties in the medical field. The journals here are published by some of the world’s most highly regarded medical, healthcare, and nursing publishers. These include: LWW, Elsevier, Sage Publications, the American Medical Association (AMA), Oxford University Press, and more.

Powered by Ovid's superior navigation and popular search and linking functions, this collection is a fine addition to any-sized institution's e-resource library.
