Ovid UpToDate Reviewed Journals Collection 2017

Over 50 premium clinically-oriented journals from the world's leading medical publishers and reviewed and referenced in topic reviews from UpToDate.

Quickly and cost-effectively build your electronic journal holdings with this convenient collection of over 50 must-have journals from LWW, Elsevier, the American Medical Association, and other leading publishers of medical, nursing, and scientific research.

Topic areas covered span a range of clinical research specialties - including oncology, surgery, epidemiology, neurology and more. Each of the titles has been reviewed for and referenced in UpToDate topic reviews.

UpToDate®, a sister company of Ovid’s within Wolters Kluwer Health, offers synoptic, evidence-based information for fast, convenient use at the point of care. Participating clinicians and physicians review the available literature and the latest evidence, and provide care recommendations.
