Lippincott Williams & Wilkins 5-Minute Clinical Consult Collection

Reliable, ready-reference resources for ongoing practice decision-making, packaged in a single collection.

The collection features clinically-oriented ready-reference guides for quick, accurate diagnosis and appropriate treatment. The series contains titles covering the following areas of practice: primary care and general practice, cardiology, sports medicine, toxicology, urology, infectious diseases, emergency medicine, pediatrics, and orthopaedics.

Each title presents searchable listings of conditions, containing description, diagnosis, treatment, and follow-up in an easy-to-use format.
