Nearly 40 Lippincott Williams & Wilkins journals highly cited by Lippincott Solutions, allowing for easy access to full-text articles from Lippincott Solutions products.

Lippincott Solutions is a series of comprehensive, integrated software applications that includes advanced online workflow technology, current evidence-based clinical information, and professional development tools for the practicing nurse. The suite of products helps organizations make evidence actionable at the bedside by supporting evidence-based practice, standardizing care, saving time, and streamlining workflows.

Lippincott Solutions makes evidence actionable for your clinical staff by taking evidence-based sources and synthesizing them into concise entries that clinicians use while directly caring for the patient. Adding the Lippincott Solutions Highly Cited Journals Collection or Lippincott Solutions Highly Cited Journals Core Collection provides access to the evidence behind Lippincott Solutions. Users can easily link directly from Lippincott Solutions products to their full text on Ovid.
