

Ovid®

LWW Health Library: Osteopathic Medicine Collection

Rely on Ovid as the trusted solution that transforms research into results

Here's a unique combination of 7 must-have ebooks from Lippincott Williams & Wilkins, PLUS roughly 450 clinical videos demonstrating critical manipulative techniques - available as an annual subscription.

Download Factsheet

Available via LWWHealthLibrary.com, this specialized book/multimedia package is ideal for anyone involved in osteopathic education and practice: instructors and faculty, students and therapists.

- Authoritative, must-have references from a leading health sciences publisher
- Books are continually updated with the most current edition
- Titles include:
 - Somatic Dysfunction in Osteopathic Family Medicine
 - The Pocket Manual of OMT
 - 5-Minute Osteopathic Medicine Consult
 - Foundations for Osteopathic Medicine
 - An Osteopathic Approach to Diagnosis and Treatment
 - Principles of Manual Medicine
 - Atlas of Osteopathic Techniques

Please note we always add new editions as soon they are published. That means multiple editions of a book may be available. Books in this collection include the following (be sure to visit Health Library: User Central for the most up-to-date list):
