LWW Health Library: Made Incredible Easy

Organized by Essentials and Clinical Rotations to help guide the study experience for RN/BSN students, gives clear explanations of key concepts in an engaging format, facilitates preparation for certification exams & leverages the popularity of the Made Incredibly Easy book series.

This single online portal helps students and practitioners (BSNs and RNs) better understand challenging clinical concepts with image-based, interactive content—including 30 core, foundational textbooks and supplemental interactive digital material.

Available via LWWHealthLibrary.com, this specialized book-multimedia package features:
- 30 volumes from Lippincott’s Made Incredibly Easy book series: each volume boasts clean, uncluttered pages with tables, images, and references
- Books are updated with new editions as soon as they’re available!
- Key books include:
  - Hemodynamic Monitoring Made Incredibly Visual
  - Critical Care Nursing Made Incredibly Easy
  - Health Assessment Made Incredibly Visual
- 47 audio and video files, including a Spanish-English dictionary, heart and breath sounds, and more!
- 167 nursing care plans for courses and topics in Medical-Surgical Care, Maternal-Neonatal Care, Pediatric Care, and Psychiatric Care
- 4 interactive case studies
- 103 chapter games for brushing up on key nursing concepts
