

Ovid®

LWW Nursing and Health Professions Premier Collection with Ovid Emcare 2019

Rely on Ovid as the trusted solution that transforms research into results

This exclusive collection gives you over 80 of today's top nursing journals used by nurses, nursing students, and health professionals around the world on a daily basis as well as a premier nursing and allied health database.

For institutions exploring electronic journals that meet the needs of their nursing professionals, students, researchers and other professionals, this collection is a perfect solution. It's a convenient and affordable way to give users access to some of the best titles addressing today's nursing and allied health topics.

At Ovid we know that quality of care is a top priority and it depends on access to the most current medical research information available. With the LWW Nursing & Health Professions Premier Collection, your organization will benefit from highly respected nursing information from Lippincott Williams & Wilkins.

Ovid Emcare, a partnership with Elsevier, sets a new standard in nursing and allied health research, offering an unparalleled nursing research combination: the world's most comprehensive and trusted scholarly, peer-reviewed literature in nursing and allied health PLUS the advanced search and discovery technology of the Ovid® platform. Premium nursing and allied health database ideal for practice, research, or education—access to over 5 million records, more than any other nursing database!
