This exclusive collection gives you over 80 of today’s top nursing journals used by nurses, nursing students, and health professionals around the world on a daily basis as well as a premier nursing and allied health database.

For institutions exploring electronic journals that meet the needs of their nursing professionals, students, researchers and other professionals, this collection is a perfect solution. It’s a convenient and affordable way to give users access to some of the best titles addressing today’s nursing and allied health topics.

At Ovid we know that quality of care is a top priority and it depends on access to the most current medical research information available. With the LWW Nursing & Health Professions Premier Collection, your organization will benefit from highly respected nursing information from Lippincott Williams & Wilkins.

Ovid Emcare, a partnership with Elsevier, sets a new standard in nursing and allied health research, offering an unparalleled nursing research combination: the world’s most comprehensive and trusted scholarly, peer-reviewed literature in nursing and allied health PLUS the advanced search and discovery technology of the Ovid® platform. Premium nursing and allied health database ideal for practice, research, or education—access to over 5 million records, more than any other nursing database!
