Social Work Abstracts contains indexing and abstracting from social work, social welfare and other related journals from 1977 to the present. It covers topics such as homelessness, AIDS, child and family welfare, aging, substance abuse, legislation, community organization and much more.

Social Work Abstracts contains information on the fields of social work and human services from 1977 to present. The database provides exceptional coverage of over 500 journals in all areas of the profession, including theory and practice, areas of service, social issues, and social problems.

Practitioners and researchers in areas such as social sciences, gerontology, welfare, public health, criminology, and education as well as all areas of human services, will benefit from using this database. The Register of Clinical Social Workers is a directory of clinical social workers in the United States. It contains information such as name, address, telephone number, employer, education, and employment history as well as type of practice and licensing information.
