ERIC (Education Resources Information Center)

Here's an authoritative database of indexed and full-text educational literature and resources, essential for education researchers of all kinds, featuring journals included in the Current Index of Journals in Education and Resources in Education Index.

In addition to journal literature, ERIC indexes education-related materials from scholarly organizations, professional associations, research centers, policy organizations, university presses, the U.S. Department of Education and other federal agencies, and state and local agencies. It links to more than 330,000 full-text documents.

Within the ERIC Collection, you will find records for a variety of source types, including:
- Journal articles
- Books
- Conference papers
- Curriculum guides
- Policy papers
