

Ovid®

Journal of Systematics and Evolution

Rely on Ovid as the trusted solution that transforms research into results

An official journal of Botanical Society of China, Sponsored by Institute of Botany, Chinese Academy of Sciences

Here's a plant-based international journal newly dedicated to the description and understanding of the biological diversity. It covers: description of new taxa, monographic revision, phylogenetics, molecular evolution and genome evolution, evolutionary developmental biology, evolutionary ecology, population biology, conservation biology, biogeography, paleobiology, evolutionary theories, and related subjects.
