The mission of The Nurse Practitioner: The American Journal of Primary Healthcare is to meet the needs of the nurse practitioner (and other advanced practice nurses and clinicians) by providing practical, cutting-edge clinical and professional information.

The Nurse Practitioner is the leading monthly source for clinical, practical, cutting-edge information for advanced practice nurses and other primary care clinicians. Each issue presents peer-reviewed articles that range from clinical topics and research to political and practice issues. In addition, the Nurse Practitioner provides regular features, columns, continuing education, staff development education, and more.
