## The Journal of Bone & Joint Surgery

Rely on Ovid as the trusted solution that transforms research into results

The Journal of Bone & Joint Surgery is the flagship publication within the JBJS product line. For 126 years, this journal has been the gold-standard in peer-reviewed scientific research in the worldwide field of orthopaedics.

A core journal and essential reading for general as well as specialist orthopaedic surgeons worldwide, The Journal publishes evidence-based research to enhance the quality of care for orthopaedic patients.

Subscribers to the Journal of Bone & Joint Surgery also have access to JBJS Open Access.
