

Ovid®

Pediatric Allergy & Immunology

Pediatric Allergy & Immunology publishes original contributions and comprehensive reviews related to the understanding and treatment of immune deficiency and allergic inflammatory and infectious diseases in children. Other areas of interest include development of specific and accessory immunity and the immunological interaction during pregnancy and lactation between mother and child. As the journal is intended to promote communication between scientists engaged in basic research and clinicians working with children, both clinical and experimental work will be published.

Impact Factor	4.137
ISI JCR Ranking	48/155 (IMMUNOLOGY), 4/124 (PEDIATRICS), 8/27 (ALLERGY)
Author/Editor	Ulrich Wahn, Berlin, Germany
Publisher	Wiley
