The Journal of Pediatric Orthopaedics is the official journal of the Pediatric Orthopaedic Society of North America and the European Paediatric Orthopaedic Society.

The Journal of Pediatric Orthopaedics is a leading journal that focuses specifically on traumatic injuries to give the practitioner hands-on coverage of a fast-growing field. You'll get articles that cover everything from the nature of injury to the effects of new drug therapies; everything from recommendations for more effective surgical approaches to the latest laboratory findings.
