## Advanced Emergency Nursing Journal

Rely on Ovid as the trusted solution that transforms research into results

A peer-reviewed journal designed to meet the needs of advanced practice clinicians, clinical nurse specialists, nurse practitioners, health care professionals, and clinical and academic educators in emergency nursing.

Articles contain evidence-based material that can be applied to daily practice. Continuing education opportunities are available in each issue. Feature articles focus on in-depth, state-of-the-science content relevant to advanced practice nurses and experienced clinicians in emergency care.

Ongoing departments include:

- Cases of Note
- Radiology Rounds
- Research to Practice
- Applied Pharmacology

Front File - 2015 to Present
