Obstetrical & Gynecological Survey publishes short condensations—with critical comments—of the best and most significant ob/gyn literature from all over the world, including original review articles.

The journal publishes short condensations—with critical comments—of the best and most significant ob/gyn literature from all over the world, including original review articles. Each issue brings readers more carefully selected, condensed articles gleaned from a survey of more than 100 U.S. and international journals. Edited for busy physicians, this time saving journal covers a wide range of news and developments in obstetrics and gynecology.
