The official journal of the Brain Injury Association of America (BIAA).

The Journal of Head Trauma Rehabilitation is a peer-reviewed journal that provides information on clinical management and rehabilitation of persons with head injuries for the practicing professional.

Features include:
--Pharmacological updates
--Peer-reviewed articles
--Book reviews
--Abstracts from selected literature
--Legislative and public policy updates

Four issues each year focus on a subject of importance to the practitioner, and the remaining two focus on a variety of clinical practice and research topics.
