As the official journal of the Case Management Society of America (CMSA) and the National Case Management Network of Canada, Professional Case Management: The Leader in Evidence-Based Practice is a peer-reviewed, contemporary journal that crosses all case management settings.

The journal features best practices and industry benchmarks for the professional case manager and also features hands-on information for case managers new to the specialty. Articles focus on the coordination of services, management of payer issues, population- and disease-specific aspects of patient care, efficient use of resources, improving the quality of care/patient safety, data and outcomes analysis, and patient advocacy. The Journal provides practical, hands-on information for day-to-day activities, as well as cutting-edge research.
