JONA™ is the authoritative source of information on developments and advances in patient care leadership.

JONA’s content is geared to nurse executives, directors of nursing, and nurse managers in hospital, community health, and ambulatory care environments. Practical, innovative, and solution-oriented articles provide the tools and data needed to excel in executive practice in changing healthcare systems: leadership development; human, material, and financial resource management and relationships; systems, business, and financial strategies. All articles are peer-reviewed, selected and developed with the guidance of a distinguished group of editorial advisors.
