Sexually Transmitted Diseases, the official journal of ASTDA, the American Sexually Transmitted Diseases Association, the International Union Against Sexually Transmitted Infections, and the Scandinavian Society for Genito-Urinary Medicine, publishes peer-reviewed, original articles on clinical, laboratory, immunologic, epidemiologic, behavioral, public health, and historical topics pertaining to sexually transmitted diseases and related fields.

A highly respected editorial board is composed of prominent scientists who are leaders in this rapidly changing field. Included in each issue are studies and developments from around the world, and reports from the CDC and NIH provide up-to-the-minute information.
