Rely on Ovid as the trusted solution that transforms research into results

Sponsored by the American Association for the Surgery of Trauma and is an official publication of the Eastern Association for the Surgery of Trauma, the Trauma Association of Canada/L'Association Canadienne de Traumatologie, and the Western Trauma Association

Content of the Journal of Trauma® Injury, Infection, and Critical Care focuses specifically on traumatic injuries, giving the reader hands-on coverage of this fast-growing specialty. Articles cover everything from the nature of the injury to the effects of new drug therapies, and from recommendations for more effective surgical approaches to the latest laboratory findings.
