

Ebooks from the Royal Society of Chemistry

Ovid

Premium professional references, textbooks, and conference proceedings in the chemical sciences from a highly regarded non-profit international publisher

- Quickly fill out your electronic offerings in chemistry with 46 individual titles and 3 cost-effective book collections
- Choose from core and niche resources in biochemistry, organic chemistry, analytical chemistry, pharmacology, toxicology, food science, and environmental science
- Take advantage of flexible pricing options—one-time purchases and annual subscriptions are available
- Simultaneously search books with journals and databases
- Time-saving workflow tools like inline abstracts, search results annotations, flexible search results sorting, and more

Do you need an efficient way to quickly expand your collection of e-resources in chemistry? Are you looking for core and niche titles in chemistry to support the information needs of your users?

The **Royal Society of Chemistry**, based in the UK, is one of the world's leading professional associations for the study and practice of chemistry, carrying out research, publishing resources, and hosting seminars and workshops.

Now, 46 of its professional references, textbooks, and conference proceedings—covering biochemistry, analytical chemistry, organic chemistry, pharmaceutical science, food science, environmental science, and related disciplines—are accessible via Books@Ovid. We offer flexible options for à la carte titles or cost-effective collections.

Why Purchase Royal Society of Chemistry Books on OvidSP?

- **Royal Society of Chemistry is a non-profit publisher renowned throughout the scientific community**
- **Available books cover a wide spectrum of topics and sub-disciplines in the chemical sciences**
- **International editorial boards feature leading scientists in their respective fields**
- **All books and collections are available as a one-time purchase on OvidSP, allowing for perpetual access on Books@Ovid**
- **OvidSP allows you to search all of your subscribed resources—books, journals, and databases—with just one search query**

See side 2 for a list of available books and collections.

OvidSP

Flexible. Precise. Innovative.

OvidSP is transforming how users search, with breakthrough technology and powerful, flexible workflow tools, empowering you to search the way you want.

- Choose from multiple search modes, depending on what you're looking for and how you like to search
- Use everyday natural language to retrieve relevance-ranked results
- Streamline workflow with customized search refinement, alerting, and results management tools
- Search simultaneously across journals, books, and databases

Ovid Worldwide Headquarters

333 7th Avenue
New York, NY 10001

46 individual titles

- *Alternatives to Animal Testing*
- *Amino Acids, Peptides and Proteins, Volume 35*
- *Amino Acids, Peptides and Proteins, Volume 36*
- *Anion Receptor Chemistry*
- *Bile Acids*
- *Biodiversity under Threat*
- *Biomimetic Nanoceramics in Clinical Use*
- *Chemicals in the Environment*
- *Chemistry and Medicines*
- *Chemistry of Fragrances*
- *Chemistry of Fungi*
- *Computational and Structural Approaches to Drug Discovery*
- *Cytochromes P450*
- *Dendrimers in Medicine and Biotechnology*
- *Environmental Forensics*
- *Essentials of Nucleic Acid Analysis*
- *Exploiting Chemical Diversity for Drug Discovery*
- *Flavins*
- *Food Colloids*
- *Food Microbiology*
- *Food Safety Hazard Guidebook*
- *Freeze-drying of Pharmaceuticals and Biopharmaceuticals*
- *Fundamental Toxicology*
- *Gums and Stabilisers for the Food Industry 13*
- *Gums and Stabilisers for the Food Industry 14*
- *Hydrogen Energy*
- *Introduction to Pollution Science*
- *Magnetic Resonance in Food Science*
- *Male-mediated Developmental Toxicity*
- *Medicinal Applications of Coordination Chemistry*
- *Nuclear Magnetic Resonance*
- *Nucleic Acids in Chemistry and Biology*
- *Photodynamic Therapy with ALA*
- *Protein-Carbohydrate Interactions in Infectious Diseases*
- *Quadruplex Nucleic Acids*
- *Principles of Environmental Chemistry*
- *Recent Advances in Actinide Science*
- *Ribozymes and RNA Catalysis*
- *Science of Bakery Products, The*
- *Science of Chocolate, The*
- *Sequence-Specific DNA Binding Agents*
- *Structural Biology of Membrane Proteins*
- *Structure-Based Drug Discovery*
- *Therapeutic Oligonucleotides*
- *Trace Element Analysis of Food and Diet*
- *Water Contamination Emergencies*

3 cost-effective collections

Royal Society of Chemistry Master Book Collection – the complete Ovid offering of all 46 books!

Royal Society of Chemistry Biomolecular Chemistry Book Collection – 19 books in biochemistry, organic chemistry, and applied and industrial chemistry. Key books include: *Amino Acids, Peptides and Proteins (volumes 35 and 36)*, *Flavins*, and *Nucleic Acids in Chemistry and Biology*.

Drug Discovery Book Collection – 13 books—10 titles from the Royal Society of Chemistry and 3 from Lippincott Williams & Wilkins—ideal for anyone involved in pharmaceutical research, toxicology, and drug discovery. Key titles include *Fundamental Toxicology* and *Structure-Based Drug Discovery*.

Ask your Ovid Account Representative for more information, including a complete list of titles in each collection, plus details on additional book packages.

Count on Ovid's award-winning technical support team 24/7/365!
