

Lippincott Williams & Wilkins Consult Book Collections

Ovid

9 cost-effective collections of high-quality, clinically focused ebooks from a leading medical publisher

- Choose from 9 highly focused collections: 8 devoted to a specific therapeutic area and 1 based on LWW's 5-Minute Clinical Consult series
- Quickly and easily build your institution's e-book portfolio
- Take advantage of purchase pricing, which gives your institution unlimited, perpetual access to ebooks via Books@Ovid
- Provide your users with the streamlined, productive search and discovery experience of OvidSP
- Enjoy cost-effective collection pricing
- Simultaneously search books with journals and databases
- Seamlessly link to full-text journals, databases, and even resources outside of the Ovid environment
- Download MARC records for any book for your OPAC

Choosing the right set of ebooks for your institution can be difficult. Selecting one title over another takes time—and you always have budget concerns. That's why collections are a quick and cost-effective method for expanding your book offerings.

Ovid's 9 Consult Collections offer a manageable and affordable set of premium ebooks from Lippincott Williams & Wilkins (LWW) in a specific therapeutic area, or published as part of LWW's highly acclaimed 5-Minute Clinical Consult quick-reference series. Consisting of reference textbooks as well as handbooks, each collection is available through Books@Ovid on OvidSP, which delivers the flexible and robust search, browse, and integration options users need for a productive, efficient research experience.
