

LWW Total Access Collection

Ovid

**Exclusive, cost-effective access to more than
280 journals in medicine and healthcare from
Lippincott Williams & Wilkins**

- Offer users seamless access to premium full text from one of the world's most renowned publishers
- Quickly build your institution's e-journal portfolio
- Enjoy cost-effective collection pricing, lower than your per-title costs
- Find information fast with OvidSP's powerful search functionality and flexible, time-saving workflow tools
- Download MARC records for any journal for your OPAC
- Get access to critical content from selected journals before they are available in print

You need a simple, cost-effective way to expand your electronic journal holdings. The LWW Total Access Collection, an Ovid exclusive, gives your users quick, easy access to a diverse package of high-quality full-text resources. They will find core, must-have clinical titles as well as more specialized journals in niche topics. Leading, expert editorial boards and a focus on content currency are hallmarks of the collection.

Available via Journals@Ovid on OvidSP, our leading precision search and discovery platform, the LWW Total Access Collection is fully integrated with your institution's other electronic holdings. And with OvidSP's flexible and robust search, browse, and integration functionality, users will have a productive, efficient research experience.

Did You Know?

- OvidSP's Basic Search is powered by natural language processing, which generates relevance-ranked results
- eTOCs and AutoAlerts keep users up-to-date on the latest research
- OvidSP's work productivity tools, including My Projects and the Ovid Toolbar, improve your research efficiency and let you work the way you want
- You can instantly link from a bibliographic record to a journal
- Many journals are "official" titles of prestigious societies and associations
- No journals in the collection are under any embargoes
- Tables of contents are viewable for all of the journals in Journals@Ovid

See page 2 for a complete list of titles in the LWW Total Access Collection.

OvidSP

Transforming Research into Results.

OvidSP is your complete online research solution, offering a single online destination where you can search, discover, and manage the critical information you need to streamline your research productivity and your work.

- Work the way you want to work with a variety of search modes and customizable work productivity and content alerting tools
- Save and manage critical research findings and documents in a dedicated work area—**My Projects**
- Extend your Ovid research experience beyond OvidSP with the **Ovid Toolbar**
- Search all Ovid resources—books, journals, and databases—simultaneously with just one query
