

Medical E-Books from People's Medical Publishing House China

Ovid

**Over 100 Premium Titles in Clinical
and Traditional Chinese Medicine**

- Access highly-ranked TCM resources from China's largest medical publisher
- Uncover books from established TCM experts and a publishing pioneer in English-language TCM resources
- Enjoy flexible pricing and access options; save on collections
- Quickly search multiple books— together with other Ovid-subscribed resources—with just one search query
- Experience the advantages of Ovid's top-tier, global technical and customer support
- Ask about ebooks from People's Medical Publishing House USA, also on OvidSP

People's Medical Publishing House (PMPH), comprised of two publishing units, PMPH USA and PMPH China, is one of China's most important sources of medical information for the international healthcare community.

Ovid offers more than 100 books from PMPH China covering a wide range of specialties in clinical medicine, health administration, and Traditional Chinese Medicine (TCM). TCM titles include:

- Practical references on acupuncture, massage therapy, moxibustion, and tui na
- Color atlases for administering various therapies
- Guides to Chinese herbal medicines
- Handbooks for treating depression, arthritis, eczema, gout, and other afflictions

Why PMPH China Books on OvidSP?

- Outside of China, they're available exclusively from Ovid
- Nine of Ovid's PMPH China Books have received a Doody's Star Rating® of 3 or above
- Premium full-text content covering a variety of disciplines
- All books and all collections are available as one-time purchases on OvidSP, allowing for perpetual access on Books@Ovid; annual subscription pricing also available
- OvidSP's unique research productivity tools, variety of search modes, flexible customization options, and easy-to-navigate interface let you search the way you want
