## Notable Springer Publishing E-Books

### **Advanced Practice Nursing: Core Concepts for Professional Role Development** Springer Publishing

(Doody's Star Rating®: 5 stars, score 100; Doody's Core Titles™: 2.5 – Nursing – Advanced Practice)

This book focuses not only on the care and management of patients, but also on how to meet the many challenges of the rapidly changing health care arena. Obtaining certification, navigating reimbursement, and translating research into practice are just a few of the challenges discussed.

### **Doctor of Nursing Practice and Clinical Nurse Leader, The: Essentials of Program Development and Implementation for Clinical Practice** Springer Publishing

(Doody's Star Rating®: 5 stars, score 100; Doody's Core Titles™: 2 – Nursing – Advanced Practice)

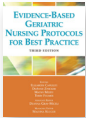

The first book to document and analyze the development and integration of the Clinical Nurse Leader (CNL) and Doctorate of Nursing Practice (DNP) programs in graduate nursing institutions. Editors Fitzpatrick and Wallace, established authorities in nursing education, present this text as an introduction to these exciting new degrees.

### **Ethical Decision Making In Nursing And Health Care** Springer Publishing

(Doody's Star Rating®: 5 stars, score 100)

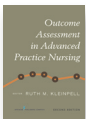

Provides a systematic approach to bioethical decision making that can help clarify issues in situations where "right" and "wrong" may not be clearly defined.

### **Evidence-Based Geriatric Nursing Protocols For Best Practice** Springer Publishing

(Doody's Star Rating®: 5 stars, score 97)

This third edition includes 17 revised and updated chapters and more than 15 new topics including critical care, diabetes, hydration, oral health care, palliative care, and substance abuse. Each chapter includes educational objectives, assessment of the problem, nursing intervention or care strategies, and references; most chapters have case studies.

### **Outcome Assessment in Advanced Practice Nursing** Springer Publishing

(Doody's Star Rating®: 5 stars, score 100)

This newly revised edition provides APNs with up-to-date resources and examples of outcome measures, tools, and methods that can be used to expand the APN's understanding of outcome assessment.

### **The Official Guide for Foreign-Educated Allied Health Professionals: What You Need to Know about Health Care and the Allied Health Professions in the United States** Springer Publishing

(Doody's Star Rating®: 5 stars, score 100)

The definitive guide to health care practice in the United States, written for foreign-educated allied health professionals interested in immigrating to the United States, those already here, and those looking to complete their education in the US.
