

UpToDate® Reviewed Resources

Ovid

Access more than 175 UpToDate®
reviewed resources from Ovid

- Provided quick, easy access to more than 175 peer-reviewed, unembargoed clinical titles from premium publishers and reviewed for top reviews in UpToDate®
- Find articles quickly with OvidSP's powerful journal browse and search functionality, as well as flexible, time-saving results management and refinement tools
- Keep up on the latest research with automatic delivery of electronic tables of contents via email or RSS feed
- Search journals simultaneously with book and bibliographic resources
- Use natural language processing to generate relevance-ranked results
- View the tables of contents of all journals—more than 1,200 titles—on OvidSP

Ovid offers your institution convenient, cost-effective access to premium, clinically-oriented journals that have been reviewed for and referenced in topic reviews from UpToDate®.

UpToDate's topic reviews provide synoptic, evidence-based information for fast, convenient use at the point of care. Participating clinicians and physicians review the available literature and the latest evidence, and provide care recommendations.
