

LWW Doody's Essential Collection 2019

Quickly and cost-effectively build your institution's e-book portfolio with this package of 69 titles. Each of these books from premier publisher, Lippincott®, has been recognized as a Doody's Essential Title. These titles are recommended as essential purchases for institutions—especially those with limited budgets—seeking to expand their medical resource portfolio.

Over 60 Books from Lippincott® recommended as essential purchases for all libraries

Doody's Review Services™ is a world leader in providing authoritative and expert quality assessments of medical, nursing, and allied health books. Recommendations for Essential Titles are made by multiple librarians with subject area expertise, who select and score in that area of specialty. Recommendations are made independently of one another, based on the librarian's experience with their respective institutions. Designations are specialty specific, and each Essential Title is also considered a Doody's Core Title™—a truly must-have resource.

Six books in the collection have received a 3—the highest score available!

- *CMSA: Core Curriculum for Case Management, 3rd Edition*

What the Scores Mean?

Title scores provide collection development specialists with another way to compare core titles within a given specialty.

- A score of "3" signifies "excellent"
- A score of "2" means "very good"
- A score of "1" means "good"

Award-winning Support and Consultative Services

- Ovid's award-winning support teams help implement tools into your library for the most optimized deployment, promotion, training, configuration, and customization.
