

# The JBJS Portfolio

Journals of The Journal of Bone and Joint Surgery, Inc. (JBJS)

## New and Expanded Access to Everything JBJS Has to Offer

Together, *The Journal of Bone & Joint Surgery (JB&JS)*, *JBJS Case Connector*, *JBJS Essential Surgical Techniques*, *JBJS Reviews*, *JBJS Journal of Orthopaedics for Physician Assistants*, and *JBJS Open Access* provide the highest quality, evidence-based research to enhance the care of orthopaedic patients around the world.

The flagship publication, *The Journal of Bone & Joint Surgery*, has been the most valued source of information for orthopaedic surgeons and researchers for over 127 years, and is the gold standard in peer-reviewed scientific information in the field.

*The Gold Standard in Orthopaedic Medicine*

## Why The JBJS Portfolio?

- Evidence-based research and reviews to enhance the quality of care for orthopaedic patients
- Quick search of over 4,000 orthopaedic case reports
- Leading-edge surgical techniques with step-by-step, interactive videos
- Supports orthopaedic curriculum with accompanying CME
- The most comprehensive access to *JBJS* ever available on Ovid—All 6 *JBJS* Journals
- The complete archive for *The Journal of Bone & Joint Surgery*, with coverage from Volume 1 Issue 1 (1889 to 2012), is now available on Ovid
- New, dedicated orthopaedic content for physician assistants (PAs) and nurse practitioners (NPs)

## The JBJS Portfolio

### *The Journal of Bone & Joint Surgery*

- The most highly cited and valued source of information for orthopaedic surgeons and researchers for over 127 years
- Published twice a month
- Impact Factor: 4.840\*
- Bonus material: Monthly podcasts providing audio excerpts from the most recent issue, CME activities (for practice or credit), and more

### *JBJS Case Connector*

- Cross-referenced online journal that includes over 4,000 orthopaedic case reports
- Compiles symptoms, conditions, and demographic details to empower surgeons to:
  - find cases similar to theirs
  - mine the database to reveal emerging trends
  - identify patterns, distinguishing between truly rare cases and repeated, related, single instances of a larger problem

### *JBJS Essential Surgical Techniques*

- An online journal for seasoned and new orthopaedic surgeons describing how to perform orthopaedic surgical procedures
- Includes step-by-step illustrations and videos with indications, contraindications, pitfalls, and challenges clearly highlighted
- Peer-reviewed and supported by outcomes

### *JBJS Reviews*

- Thorough and critical online reviews on topics of interest and importance to orthopaedic surgeons
- Provides the global community with the best evidence and the most authoritative clinical information
- Authors who represent the most experienced experts, representing their work in an easy-to-read format for immediate use by clinicians in the field

### *JBJS Journal of Orthopaedics for Physician Assistants (JOPA)*

- A peer-reviewed journal that publishes timely and practical articles covering all orthopaedic subspecialties for physician assistants (PAs) and nurse practitioners (NPs)

### *JBJS Open Access*

- International, peer-reviewed, open-access journal
- Continuously published and online-only, providing a steady flow of comprehensive, objective, and evidence-based basic-science and clinical studies

### Award-winning Support and Consultative Services

- Ovid's award-winning support teams help implement tools into your library for the most optimized deployment, promotion, training, configuration, and customization.
- 24/7 support is available in over 20 different languages.

The global Customer Engagement team has attained best-in-class recognition through Omega Management Group's NorthFace ScoreBoard Award<sup>™</sup> for superior customer satisfaction scores for the last five years running.
