- Offers user-friendly semantic search to return the most accurate results for your patient care
- Content that is easily integrated with your Electronic Medical/Health Record System
- Enables physicians and nurses to earn CME/CE quickly and easily as they search content and treat their patients

5MinuteConsult.com

Tools and Multimedia for Clinical Diagnosis and Treatment

A clinical, differential diagnosis resource to provide rapid, reliable results directly for patients.

- **Diseases & Conditions**—2,000+ topics, plus more than 100 new online-exclusive topics
- **Semantic Search**—for targeted results from reliable resources, including 5Minute Pediatrics and 5Minute Emergency Medicine
- **Point-of-Care CME/CE**—so you can earn .5 credits for every Disease & Condition navigated to, for up to 20 credits, while you search the site to find the best treatment for your patients
- **Drugs**—A to Z drug monographs from Facts & Comparisons; includes additional patient education materials and drug interactions
- **Lab Test** information for help with lab preparation, interpretation, and follow-up; features trusted content from *Wallach's Interpretation of Diagnostic Tests*
- **More than 3,250 patient education handouts** from Lexicomp®, available in Spanish and English
- **Procedure Videos**—more than 200 procedure and physical therapy videos with enhanced search functionality
- **Algorithms**—Over 200 diagnosis and treatment algorithms, includes online-only exclusive algorithms
- **Thousands of online-only images** for visual guidance; including nearly 500 dermatology images
- **ICD10, ICD9, and Snomed Codes**

Premier, Authoritative Content to Support Clinical Decisions

Core content has been expanded upon from the leading print titles:

- *5-Minute Clinical Consult*
- *5-Minute Consult Clinical Companion to Women's Health*
- *5-Minute Emergency Medicine Consult*
- *5-Minute Pediatric Consult*
- *Essential Guide to Primary Care Procedures*
- *A Practical Guide to Joint & Soft Tissue Injection*
- *Wallach's Interpretation of Diagnostic Tests*

Track CME/CE and Manage Content with the MyCME or MyCE portal

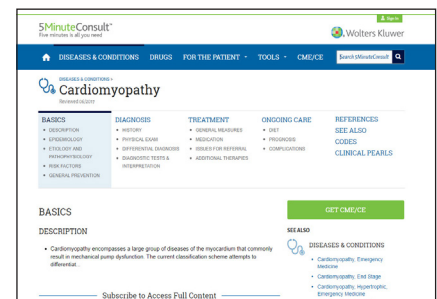

At no additional charge, physicians and nurses can earn and track their CME/CE credits. As they search the site and treat their patients, clinicians can earn up to .5 credits for each topic questionnaire they submit. This activity has been reviewed and is accepted for up to 20 Prescribed credit(s) by the American Academy of Family Physicians and the American Nurses Credentialing Center's Commission.
