

# OID<sup>®</sup> EMCARE<sup>®</sup> The New Standard in Nursing and Allied Health Research

**Ovid Emcare**, a partnership with Elsevier, sets a new standard in nursing and allied health research—providing more records and trusted content than any other leading nursing database.

Pairing premium content with the world’s most trusted medical research platform, **Ovid Emcare** empowers your patrons to deliver high-quality care and improve research processes.

*Premium nursing and allied health database of over 5 million records across 3,500 journals*

## Ovid Emcare brings you:

- All the great features of Ovid—easy links to full text, exporting, filtering, de-duping, and more
- More scholarly, peer reviewed, and indexed journals than any other nursing database
- Easy linking to non-embargoed, full-text journal content
- Exclusively on Ovid! Lippincott<sup>®</sup> full text
- Integration with the trusted Emtree<sup>®</sup> thesaurus for accurate, relevant results
- Natural language searching for fast, relevancy-ranked results
- New content added weekly
- Ability to search across all your Ovid resources with just a single query

## Ovid Emcare Content:

- 3,500 international, currently indexed, peer-reviewed journals—more than any other nursing database
- 2,800+ titles not available on other leading nursing databases
- Over 5 million records dating back to 1995
- Up to 250,000 records/citations added each year
- Broadest scope of international content—more than any other nursing database: 50% of journals from North America, 40% from Europe; 10% from other regions.
- 70% of records with online abstracts
- More than 80,000 preferred terms in Emtree, expanded with nursing and allied health terms, all mapped to MEDLINE<sup>®</sup>’s MeSH<sup>®</sup>

## The best scholarly nursing & allied health research experience

Ovid Emcare offers access without embargoes to the most current and relevant content, across core topics such as:

- |  |                                       |                                  |
|--|---------------------------------------|----------------------------------|
| • Nursing                                | • Anesthesiology & Pain Medicine      | • Nutrition & Dietetics          |

| • Geriatrics & Palliative Care           |                                       | • Social Medicine                |

## The Benefits of Ovid Emcare ...

### For Practice

Ovid Emcare provides **practicing nurses & other healthcare workers:**

- **Key evidence** needed to support patient care decisions
- Ability to perform **quick searches and retrieve accurate results**, so they can provide timely, high-quality care
- **Natural language searching** to save time entering queries and accessing results ranked by relevancy more quickly.

### For Learning

**Nursing students** learning about evidence-based care can use Ovid Emcare to:

- **Search scholarly nursing and allied health bibliographic data** with convenient limits to systematic reviews, clinical trials, and more
- **Search across other Ovid full-text journal collections**, allowing for their research to go beyond just citation gathering
- **Easily link to non-embargoed, full-text** journal content when deeper research is required.

### For Research

Ovid Emcare provides **researchers** carrying out systematic reviews or research projects:

- A **fast, accurate, and expansive** resource with more global content than any other nursing & alliedhealth database
- **Thorough indexing and reference** to thousands of exclusive journals unavailable through other leading nursing & allied health databases—ensuring clinical researchers accurate systematic reviews and meta-analyses
- The **most accurate results** with use of the Emtree thesaurus and weekly updates of new content.
